

# V7 Universal Rotating Case and Stand for iPad & Tablets 9" to 10.1" - grey

TUC25R-10-GRY-14E

## Key Features

- Protective cover for your iPad and tablet PCs between 9" to 10.1"
- Rubberized anti-slip lining helps adjust to your perfect viewing angle
- Universal silicone "X" band holds device firmly during transport
- Full access to all ports and buttons
- Rotates 360 degree from portrait to landscape viewing mode

## Overview

The V7 Universal Rotating Case and Stand fits iPad and Tablet PCs between 9" to 10.1" and provides a stylish protective solution for the on-the-go professional. The folio's anti-slip inner lining allows your device to adjust to perfect viewing angle for watching movies, typing or video chat and easily rotates from portrait to landscape view mode. You can easily access ports, and function buttons. The folio case offers your iPad or tablet PC excellent protection from dust, scratches, oily finger prints, and gentle impacts. The folio's form fitting universal silicone "X" band and elastic closure strap will keep your tablet in place during transport. This case has anti-slip interior lining, providing protection from scratches. The hard outer cover comes in three colors of black, dark blue and red.
